TECHINNOVATION

SINGAPORE 28 - 30 SEP 2021

About TechInnovation

TechInnovation is a premier technology brokerage event organised by IPI.

It brings together international technology providers and enterprises to accelerate the commercialisation of emerging technologies, seed licensing opportunities and foster open innovation collaborations.

The 10th edition of TechInnovation will be a digital event running 24 hours from **28 - 30 September 2021**. Exhibitors and attendees across all time zones will be able to participate and network with each other virtually.

“Opportunity to network and collaborate”
is the top reason for exhibitors and visitors to participate

TechInnovation 2021 Theme:
A Sustainable & Resilient Future

GREEN & SUSTAINABLE FUTURE

Green Building
Energy Efficiency | Building Automation | Construction Materials | Passive Cooling Materials | Data Analytics | Virtual Environment Simulation | IoT & Sensors | AI for Energy Management | Indoor Air Quality

Towards Zero Waste (Waste to Worth)
Sustainable Packaging | Plastic Recycling | Wastewater Treatment & Recycling

Towards Zero Carbon (Energy Efficiency)
Solar Energy | Hydrogen | Energy Harvesting | Electric Vehicle | EV Fast Charging

SUSTAINABLE FOOD & NUTRITION

Food Protein & Nutrition
New sources | Plant-based proteins | Alternative Ingredients | Whole Egg Substitutes | Future Food | Microbes | Novel Ingredients & Processes | Composting | Food Valorisation

Sustainable Manufacturing & Packaging
Food processing | Edible Packaging | Coatings | Shelf Life Extenstion

Smarter Food Safety
Blockchain | IoT Sensors | Location Tracker | Predictive Analysis

Agrifood
Plant Quality | Higher Plant Yield | Resource Efficiency | Automation | Agriwaste | Sustainable Agrochemicals

Aquaculture
New Farming Species | Intensification | Feeds & Nutrition | Health & Genetics | Recirculating Aquaculture System (RAS) | Aquafarming Technology

HEALTH & WELLNESS

Manufacturing in Medtech
Wearables | Hearables | Sensors | Assistive Devices| Additive & 3D printing | New Materials

Digital Health
Data Analysis and AI | Monitoring | Telemedicine

Diagnostics
Non-invasive test & imaging | Biochip |Genetics-based

Personal Care
Hygiene | Skin Care | Wellness | Formulations| Natured-Derived Active Ingredients | Personalised Solutions | Gut Health | Pre- & Pro-biotics

Morning	**Opening & Plenary I** How Does the Future With Zero Carbon & Zero Waste Look Like	**Plenary II:** What Will Be The Future of Food	**Plenary III:** Healthtech that Will transform Health & Wellness
	BREAK		
Afternoon	Crowdsourcing by corporates	Design Think Tank	Innovation in Wearables HealthTech
	Smart & Sustainable Building Tech for Energy Efficiency	Reducing Food & Packaging Waste	[reserved]
	Sustainable Solutions in Recycling & Waste to Worth	Innovation in Modern Intensive Farming	[reserved]
All Day	**Thematic Crowdpitching Sessions (On-Demand All Day)**		

Crowdsourcing and Why You Should Participate

Large corporations engage the innovation community for technology solutions and partnerships to solve business challenges through an open innovation platform.

If you have the solution, step forward with your proposal for an opportunity to collaborate with the corporations.

Participating corporates for past editions:

Haier

P&G

sentosa™

National Environment Agency

DANONE

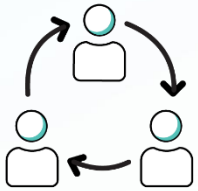
JP-NZ JUICE PRODUCTS NEW ZEALAND LIMITED

Crowdpitching and Why You Should Participate

A pitching platform for innovators to showcase their enabling technologies to the international audience.

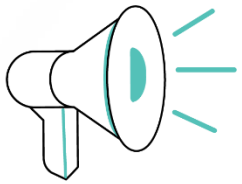
Look for collaboration partners for commercialisation or co-development through these pitching opportunities.

Why Exhibit at TechInnovation 2021?



Networking and Collaboration Opportunities with International Partners

- The **largest and most established** technology marketplace & matching event in Singapore & Southeast Asia
- **Network** with C-level executives and decision makers seeking enabling technologies
- **B2B meetings** with participants and **1-to-1 Tech Matching** facilitated by IPI
- **Participate** in Crowdsourcing to reach out to large corporates



Create Awareness and Interest for your Technology Offers

- **Opportunity to pitch** your technologies to international participants for commercialisation and collaboration opportunities
- **Validate** your technologies with industry partners
- Continuous **international exposure** of selected Tech Offers at IPI's Innovation Marketplace for up to 2 years

Learn about Emerging Trends and how to Leverage

- Learn how to **leverage enabling technologies** as corporate leaders and industry experts share the emerging trends and best practices.
- Expose your innovators and colleagues to **cutting edge innovation and insights**

Premium Package for Key Partners

- Expose your companies at one of the largest technology matching events in the region
- Promote your companies' technologies to international audience
- Networking opportunities with technology seekers
- Round the clock access by delegates to crowdpitching presentations as video-on-demand 24/7

Participating Key Partners at past editions of TechInnovation..

Your Digital Booth

Key Features

- Company profile
- Showcase of technologies
- Live chat
- Instant video calls
- Schedule meetings with participants
